Creating leaders and toppers since 2012

The ClearIAS Story

In a small village in India, there was a young man whose aspirations stretched well beyond the ordinary. His name was Alex Andrews George.

Alex believed that India needed the best brains in the country in leadership positions for the nation to prosper into greatness. By leadership positions, he meant not only politicians but also social entrepreneurs and bureaucrats like IAS, IPS, and IFS officers.

However, he saw many deserving candidates finding it difficult to crack the UPSC Exam intended to select IAS, IPS, and IFS officers. This was because of various reasons including the lack of proper guidance and unavailability of quality coaching at affordable fees.

To solve this problem, Alex Andrews George founded ClearIAS as an online learning platform in 2012. An offline wing was added later.

ClearIAS provided thousands of online study materials and guidance articles free of cost. The fees charged by ClearIAS for the top-quality classes, mock exams, and personal mentorship were less than one-third of the fees charged by traditional coaching institutes.

Very soon, ClearIAS broke barriers in the UPSC exam preparation. Aspirants from across India started learning from the platform.

Now, more than 1 million aspirants learn from the ClearIAS website and apps every month. ClearIAS continue to help thousands of students become leaders including many IAS, IPS, and IFS officers.

Our mission

Tomorrow.
